- B. The candidate will have to attend the Online meeting from any suitable location by accessing the link provided in the E-mail from a computer with webcam/Smartphone/tablet and high speed internet capable of supporting video conference.
- C. The candidate should remain present in front of the computer 5 (five) minutes ahead of the scheduled time of P.S.T and remain present there until the P.S.T is completed.
- D. The room should be well illuminated and no person other than the candidate should remain present in the room where the computer terminal is placed during the P.S.T.
- E. The mobile of the candidate should remain active during the entire duration of the P.S.T so that calls can be made to the candidate, if necessary. The Mobile should, however, remain in silent mode to avoid interference with the P.S.T.
